ONE NUMBER IS ALL YOU EVER NEED FOR SOCIAL SECURITY PURPOSES

1. Your Social Security Card will be typed with the name shown on Item 1. If you ever change your name, notify the Social Security Office immediately for a new card.
3. Show your box number at the Post Office, otherwise card will be sent by General Delivery.
8. If you are a naturalized citizen, indicate date when naturalized.
9. If not born in the Federated States of Micronesia, enter the name of country in which you were born.
15. If a stepfather, or foster father is shown, include the relationship after name; for example, "Jones George, stepfather".
16. If you have ever before filled out an application for a Social Security number, check "yes" even if you never received your card. If you check "yes", give the name of the district and the approximate date on which you applied. Also enter your Social Security Number if you did receive the card and remember the number. You may find your number on an old tax return or wage statement.
18. Sign your name as usually written. Do not print unless this is your usual signature. If unable to write, make a mark witnessed by one person who can write. The witness preferably should be a person who works with the applicant and must sign this application. A parent, guardian, or custodian who completes this form on behalf of another person should sign his own name followed by his title or relationship to the applicant: for example, "Bill George, father".
